PAST PARTICIPANTS SAY:

- Great event, great teachers helping teach not only basic roofing and HVAC but also showing some of the more complex sides of the industry.
- Both the Air Conditioning and Roofing segments provided information that I can use in my job.
- Very professional & informative for a vast skills span of an audience.
- This seminar was the best investment of my time. Thank you for making the information understandable to the every day user.
- The up-close-and-personal experience...was awesome!

PURPOSE

To give attendees new tools and strategies to make educated decisions on their air conditioning and roofing problems.

WHO SHOULD ATTEND?

Property managers, facility managers, maintenance personnel and others who are responsible for roof maintenance or air conditioning service and repairs.

ROOF DEMONSTRATION

Please wear casual attire as we may be walking on the roof, i.e. flat shoes and slacks, sunglasses, hat, etc.
